

Who Am I?

I lived in Alexandria
In a vast palace
My family was filled
With spite and malice.

I wasn't the first
To have my name
My political boyfriends
Helped bring about my fame

I married both of my brothers
But they quickly died
I wanted to rule
Not stand off to the side.

Educated and wealthy
Power I did seek
I wasn't even Egyptian
I was Macdeonian Greek

I wasn't a great beauty
My biographers attest
I was famously portrayed
By Liz Taylor the actress

Who am I?
